BURNABY, BC and NEW YORK, NY – December 27, 2019 – GTWY Holdings Limited (“GTWY”), the holding company for Gateway Casinos & Entertainment Limited (together with affiliates, “Gateway” or the “Company”), one of the largest and most diversified gaming and entertainment companies in Canada, which is currently majority owned by The Catalyst Capital Group Inc. (“Catalyst”), and Leisure Acquisition Corp. (NASDAQ: LACQ, LACQU, LACQW) (“Leisure”), a special purpose acquisition company, jointly announced today that Gateway and Leisure have entered into a definitive agreement for a business combination (the “Transaction”) whereby Leisure will merge into a wholly-owned subsidiary of GTWY in a transaction with a pro forma enterprise valuation of approximately US\$1.115 billion (C\$1.463 billion). HG Vora Capital Management, LLC, (“HG Vora”) on behalf of certain of its affiliates, is supporting the Transaction through a US\$30 million equity commitment. HG Vora has committed more than \$100 million in total, including previously invested capital.

Gateway has also announced that, shortly following completion of the Transaction, Marc J. Falcone, currently a Director of Leisure, will become President and Chief Executive Officer of Gateway. Upon Mr. Falcone’s appointment becoming effective, Tony Santo, Gateway’s current CEO, will retire from the company. Mr. Santo will continue as an advisor to the Board of Directors and Mr. Falcone for three months following his retirement in order to assist with an orderly transition.

With 25 properties across British Columbia and Ontario – up from 10 in 2015 – Gateway has significantly expanded its footprint, while diversifying and expanding its product offering to include well-known proprietary casino and restaurant brands. Over the last six years, Gateway’s multi-pronged strategic initiatives have driven (i) improved guest experiences, (ii) strong revenue growth, (iii) consistent Adjusted EBITDA ⁱ growth, and (iv) industry-leading free cash flow conversion.ⁱⁱ Gateway has and continues to successfully execute on its growth initiatives to drive year-over-year improvement with year-to-date (through September 30, 2019) growth in Adjusted EBITDA of 10.8% to US\$103.7 million (C\$137.9 million)ⁱⁱⁱ

With the ongoing support and sponsorship of Catalyst, Leisure and its principals, and HG Vora, Gateway is well-positioned to continue to achieve attractive returns for its shareholders. The Company’s projected organic revenue and Adjusted EBITDA growth pipeline reflects a number of rebranding and renovation initiatives across its portfolio along with three new development opportunities and four property relocations expected to open over the next three years. The execution of these growth initiatives will be implemented with a sustained focus on Gateway’s operational excellence. Gateway management provided Leisure with forward-looking projections as part of its due diligence. 2020 Projected Adjusted EBITDA is expected to be US\$148.6 million (C\$195.0 million).^{iv} 2020 Projected Adjusted EBITDA to Free Cash Flow Conversion is expected to be 90.8%.^v
