Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Expense Advancement Agreement

On October 26, 2020, Leisure Acquisition Corp. (the “**Company**”) entered into a second amendment (the “**Second Expense Advancement Amendment**”) to its expense advancement agreement, dated December 1, 2017 and amended on June 29, 2020 (the “**Expense Advancement Agreement**”), by and between the Company and Hydra Management, LLC (“**Hydra**”), MLCP GLL Funding LLC (“**MLCP**”) and HG Vora Special Opportunities Master Fund, Ltd. (“**HG Vora**”) and together with Hydra and MLCP, the “**Funding Parties**”) to increase the total amount of advances available to the Company under the agreement to \$1,200,000 from \$1,125,000. As previously disclosed, the Company issued promissory notes in an aggregate amount of \$1,000,000 to the Funding Parties on January 15, 2020 pursuant to the Expense Advancement Agreement. These promissory notes were converted by the Funding Parties into warrants on June 25, 2020 pursuant to their terms.

The foregoing is only a summary of the Second Expense Advancement Amendment and does not purport to be complete and is qualified in its entirety by reference to the full text of the respective underlying agreement. A copy of the Second Expense Advancement Amendment is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The Company issued unsecured promissory notes (the “**Promissory Notes**”) to MLCP on October 26, 2020 and to Hydra and HG Vora on October 27, 2020. The Promissory Notes were issued pursuant to the Company’s Expense Advancement Agreement, as amended, and cover an initial aggregate drawdown amount of \$75,000 and a maximum aggregate amount of \$200,000. Amounts up to the aggregate maximum amount may and are expected to be drawn down from time to time by the Company pursuant to the Promissory Notes to fund its working capital requirements. The Promissory Notes do not bear any interest. If the Company completes an initial business combination, the Company would repay outstanding loaned amounts under the Promissory Notes. In the event that the Company is unable to complete an initial business combination, the Company may use a portion of the working capital held outside its trust account to repay such loaned amounts but no proceeds from its trust account would be used for such repayment. The loans from the Funding Parties are convertible into warrants to purchase shares of common stock, at a price of \$1.00 per warrant, at the option of the Funding Party. The warrants would be identical to those warrants that were issued in a private placement concurrent with the Company’s initial public offering to the Funding Parties (or their affiliates) and certain members of the Company’s management team

The table below sets forth the breakdown of each Promissory Note issued to each Funding Party:

Funding Party	Maximum Principal Amount
Hydra	\$ 51,376.68
Matthews Lane	\$ 48,623.32
HG Vora	\$ 100,000.00
Total	\$ 200,000.00

A copy of the form of Promissory Note is filed as Exhibit 10.2.

Item 3.02 Unregistered Sales of Equity Securities

The information set forth in Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02. An aggregate of 200,000 private placement warrants of the Company would be issued if the entire aggregate amount of the Promissory Notes is drawn and subsequently converted. The warrants would be exercisable, subject to the terms and conditions of the warrant and during the exercise period as provided in the warrant agreement governing the warrants. The Company has relied upon Section 4(a)(2) of the Securities Act of 1933, as amended, in connection with the issuance and sale of the Promissory Notes, as they were issued to sophisticated investors without a view to distribution, and were not issued through any general solicitation or advertisement.

Item 9.01 Financial Statements and Exhibits.

All payments on this Note shall be made by wire transfer of immediately available funds or as otherwise determined by the Payee to such account as the Payee may from time to time designate by written notice to the Maker in accordance with the provisions of this Note. Certain terms used herein but not defined herein shall have the meaning given to such terms in the Agreement.

This Note, together with (i) that certain Promissory Note, dated as of the date hereof, issued by Maker to [], and (ii) that certain Promissory Note, dated as of the date hereof, issued by the Maker to [], are collectively referred to as the Working Capital Promissory Notes. The “Payees” under the Working Capital Promissory Notes are collectively referred to as the WC Payees and each as an WC Payee.

- 1. Principal.** The unpaid Principal Amount of this Note shall be payable on the date on which Maker consummates its Businesses Combination (the “**Maturity Date**”). The Principal Amount may be prepaid at any time. Payments made on or in respect of this Note may only be made on a *pro rata* basis (based on the principal amounts of the Working Capital Promissory Notes) with amounts paid on or in respect of the other Working Capital Promissory Notes.
 - 2. Interest.** No interest shall accrue on the unpaid Principal Amount of this Note.
-

3. Drawdown Requests. Maker and Payee agree that Maker may request up to a maximum Principal Amount of \$[] for working capital in connection with Maker's pursuit of a Business Combination under this Note. The Principal Amount of this Note may be increased pursuant to drawn downs from time to time prior to the Maturity Date, upon written request from Maker to Payee (each, a "**Drawdown Request**"). Each Drawdown Request must state the amount to be drawn down, and must not be an amount less than Ten Thousand Dollars (\$10,000.00). Payee shall fund each Drawdown Request no later than five (5) business days after receipt of a Drawdown Request; provided, however, that the maximum amount of drawdowns collectively under the Working Capital Promissory Notes is **Two Hundred Thousand Dollars (\$200,000.00)** and that amounts of principal may only be drawn down upon under this Note on a *pro rata* basis (based on the allocation set forth on Schedule I of the Agreement) with amounts drawn down upon under the other Working Capital Promissory Notes. The obligation of each WC Payee to fund Drawdown Requests shall be several and not joint. For the avoidance of doubt, a default by a WC Payee to fund its obligation under its Working Capital Promissory Note shall not require the Payee to fund all or any portion of such defaulted obligation. Once an amount is drawn down under this Note, it shall not be available for future Drawdown Requests even if prepaid. No fees, payments or other amounts shall be due to Payee in connection with, or as a result of, any Drawdown Request by Maker. Notwithstanding the foregoing, all payments shall be applied first to payment in full of any reasonable costs incurred in collection of any sum due under this Note, including (without limitation) reasonable attorneys' fees, and then to the reduction of the unpaid Principal Amount of this Note.

The Principal Amount shall be conclusively evidenced by the grid attached hereto as Schedule A, which shall be deemed to be automatically updated from time to time to reflect any increase or decrease in the Principal Amount (the "**Note Grid**"). At the Payee's request, the Maker shall deliver to the Payee a physical copy of the Note Grid as updated through the date of delivery to the Payee.

7. Waivers. Maker and all endorsers and guarantors of, and sureties for, this Note waive presentment for payment, demand, notice of dishonor, protest, and notice of protest with regard to the Note, all errors, defects and imperfections in any proceedings instituted by Payee under the terms of this Note, and all benefits that might accrue to Maker by virtue of any present or future laws exempting any property, real or personal, or any part of the proceeds arising from any sale of any such property, from attachment, levy or sale under execution, or providing for any stay of execution, exemption from civil process, or extension of time for payment; and Maker agrees that any real estate that may be levied upon pursuant to a judgment obtained by virtue hereof, on any writ of execution issued hereon, may be sold upon any such writ in whole or in part in any order desired by Payee.

8. Unconditional Liability. Maker hereby waives all notices in connection with the delivery, acceptance, performance, default, or enforcement of the payment of this Note, and agrees that its liability shall be unconditional, without regard to the liability of any other party, and shall not be affected in any manner by any indulgence, extension of time, renewal, waiver or modification granted or consented to by Payee, and consents to any and all extensions of time, renewals, waivers, or modifications that may be granted by Payee with respect to the payment or other provisions of this Note, and agrees that additional makers, endorsers, guarantors, or sureties may become parties hereto without notice to Maker or affecting Maker's liability hereunder.

10. Governing Law; Construction; Jurisdiction. This Note shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The parties hereto (i) agree that any action, proceeding, claim or dispute arising out of, or relating in any way to, this Note shall be brought and enforced in the courts of New York, in the State of New York, and irrevocably submits to such jurisdiction and venue, which jurisdiction and venue shall be exclusive and (ii) waive any objection to such exclusive jurisdiction and venue or that such courts represent an inconvenient forum.

11. Severability. Any provision contained in this Note which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. Trust Waiver. Notwithstanding anything herein to the contrary, the Payee hereby irrevocably waives any and all right, title, interest, causes of action and claims of any kind or nature whatsoever (each, a “**Claim**”) in or to, and any and all right to seek payment of any amounts due to it out of, the trust account established for the benefit of the public stockholders of the Company and into which substantially all of the proceeds of the Company’s initial public offering will be deposited (the “**Trust Account**”), and hereby irrevocably waives any Claim it presently has or may have in the future as a result of, or arising out of, this Note, which Claim would reduce, encumber or otherwise adversely affect the Trust Account or any monies or other assets in the Trust Account, and further agrees not to seek recourse, reimbursement, payment or satisfaction of any Claim against the Trust Account or any monies or other assets in the Trust Account for any reason whatsoever; provided, however, that if the Maker completes a Business Combination, the Maker shall promptly repay the Principal Amount of this Note out of the proceeds released to the Maker from the Trust Account.

13. Amendment; Waiver. Any amendment hereto or waiver of any provision hereof may be made with, and only with, the written consent of the Maker and the Payee. 14. Assignment. No assignment or transfer of this Note or any rights or obligations hereunder may be made by any party hereto (by operation of law or otherwise) without the prior written consent of the other party hereto and any attempted assignment without the required consent shall be void; *provided*, however, that the foregoing shall not apply to an affiliate of the Payee who agrees to be bound to the terms of this Note.

15. Conversion.

(a) At the Payee’s option, at any time and from time to time prior to payment in full of the Principal Amount of this Note, the Payee may elect to convert all or any portion of the outstanding principal amount of this Note into that number of warrants (the “**Conversion Warrants**”) equal to: (i) the portion of the principal amount of the Note being converted pursuant to this Section 15, divided by (ii) \$1.00 (as adjusted for any stock dividend, stock split, stock combination, reclassification or similar transaction related to the Common Stock occurring after the date hereof), rounded up to the nearest whole number. Each Conversion Warrant shall have the same terms and conditions as the warrants issued by the Maker to the Payee pursuant to a private placement, as described in Maker’s Registration Statement on Form S-1 (333-221330). The Conversion Warrants, the shares of Common Stock underlying the Conversion Warrants and any other equity security of Maker issued or issuable with respect to the foregoing by way of a stock dividend or stock split or in connection with a combination of shares, recapitalization, amalgamation, consolidation or reorganization (the “**Warrant Shares**”), shall be entitled to the registration rights set forth in Section 16 hereof.

(b) Upon any complete or partial conversion of the principal amount of this Note, (i) such principal amount shall be so converted and such converted portion of this Note shall become fully paid and satisfied, (ii) without delaying the Maker's requirement to deliver Conversion Warrants in accordance with the immediately following clause (iii), the Payee shall surrender and deliver this Note to Maker or such other address which Maker shall designate against delivery of the Conversion Warrants, (iii) Maker shall promptly, but in any event within two (2) business Days of a written conversion request by Payee, deliver a new duly executed Note to the Payee in the principal amount that remains outstanding, if any, after any such conversion and (iv) in exchange for all or any portion of the surrendered Note, Maker shall deliver to Payee the Conversion Warrants, which shall bear such legends as are reasonably required, in the opinion of counsel to Maker or by any other agreement between Maker and the Payee and applicable federal securities laws.

(c) The Maker shall pay any and all issue and other taxes that may be payable with respect to any issue or delivery of the Conversion Warrants upon conversion of this Note pursuant hereto, including, without limitation, any transfer taxes resulting from any transfer requested by the Payee in connection with any such conversion.

16. Registration Rights.

(a) Reference is made to that certain Registration Rights Agreement between the Maker and the parties thereto, dated as of the date hereof (the "**Registration Rights Agreement**"). All capitalized terms used in this Section 16 shall have the same meanings ascribed to them in the Registration Rights Agreement.

(c) The Holders shall also be entitled to include the Conversion Warrants (or the Warrant Shares) in Piggyback Registrations, which shall be subject to the same provisions as set forth in Section 2.2 of the Registration Rights Agreement.
